SUNDAY 19<sup>th</sup> JANUARY

Here are some follow-up questions to help you get the most out of today's Bible Message. If you're in a Core Connect Group, it would be helpful to read them before you meet and note down your thoughts.

### God with Us: Money (Matthew 6:19-24)

- 1) What are your main money worries?
- 2) What do you find helpful from the message?
- 3) What practical steps are you currently taking to stay in control of your money?  
What other things might be helpful?

4) Have you experienced times when knowing Jesus as 'God with us' has helped you with money worries?

5) Do you think it's true that 'what you most value, is what you think about the most? Why?

6) How do these verses challenge you? What will you do about those challenges?

#### PRAY

- Thank God for everything he provides for you financially
- Pray about money worries you have at the present – Ask God to help you practically and change your perspective
- Ask God to show you some practical ways you can be generous this week

#### Going Further

Read Luke 21:1-4

- 1) What does Jesus say is the main lesson from this account?
- 2) What do you think was the cost in real terms to the widow in this account?
- 3) Why do you think she was able to be so 'recklessly generous'?
- 4) What would 'reckless generosity' look like for you?
- 5) What might be holding you back from being as generous as the widow? What can you do about those things?

They all joined together constantly in prayer. (Acts 1:14 NIV)
