

4) How do you think Jesus is different to the popular idea people have of him?

5) Verse 15 tells us not to 'be afraid'. What situations / things in life cause you fear?

6) How does /could knowing Jesus change the way you think about those things?

#### PRAY

Thank God for Jesus, the Prince of Peace, who gives us peace with God  
- Pray about some of the fears you have, ask God to help you see how Jesus can change your perspective and ask him to help you trust him  
- Ask God for opportunities to tell others about the peace Jesus can bring them. Pray for boldness to take those opportunities

#### Going Further

##### Read Psalm 118

- 1) What kind of situation do you think the author of this psalm was in when he wrote it?
- 2) What similarities are there between verses 15 to 29 and the Jesus' entry into Jerusalem?
- 3) How do verses 22 to 24 refer to Jesus? (see Matthew 21v42)
- 4) How might verses 28 and 29 make us think more carefully about who Jesus is?
- 5) The psalm tells us to 'rejoice... and be glad'. Do you think it's possible to choose to rejoice and be glad? Why?
