SUNDAY 26th JANUARY

Here are some follow-up questions to help you get the most out of today's Bible Message. If you're in a Core Connect Group, it would be helpful to read them before you meet and note down your thoughts.

God with Us: Future (Matthew 6:25-34)

- 1) What concerns do you have about the future?
- 2) What did you personally find helpful from the message?
- 3) Which future needs do you struggle to trust God to provide for? Do you recognise self-sufficiency in these areas?

4) How could the three actions of 'look', 'consider' and 'seek' help you to trust God more?

5) How does Jesus as 'God with us' provide you with assurance about your future?

6) How could you 'seek first the kingdom of God' this week?

PRAY

- Thank God for His daily provision as your Father who cares and knows what you need.
- Write down three things each day to thank God for what He is doing.
- Pray for His kingdom to come and for opportunities for God to work through you.

Going Further

Read **Philippians 4:6-7**

- 1) How do you typically deal with worry and anxiety?
- 2) What changes could you make in your life to help with that?
- 3) What are we instructed to do about anxiety and what would that look like practically?
- 4) Read 1 Peter 5:6-7 The amplified version says; 'Casting (throwing) all your cares, anxieties, worries, concerns once and for all on Him'. How would it feel if you did that? What difference would that make in your life?

They all joined together constantly in prayer.
(Acts 1:14 NIV)
