Sunday 4th November

CONNECT WITH THE MESSAGE

Here are some follow-up questions to help you get the most out of today's Bible Message.
If you're in a Connect Group, it would be helpful to read them beforehand and note down your thoughts.

Jesus Quenches Thirst (John 4:1-42)

- 1) What was the most memorable part of Sunday's message?
- 2) What's helpful to you about the image of relationship with God (or eternal life) as being like 'living water' or fresh running water?
- 3) How are you ever like a camel, trying to survive for days or longer without God? Why is this a problem?
- 4) What are the main 'thirsts' you experience in life and what are you tempted to try to quench those thirsts, other than God?

5) What does Jesus offer that quenches those 'thirsts' you experience? Can you think of any Bible quotes or promises which it would be good to remember?

6) Can you think of anyone you know who isn't a Christian and who is 'thirsty' for something? What does Jesus offer to quench that thirst and what could you say to them which might lead them to consider what Jesus offers?

PRAY

- Thank Jesus for the living water of life with God that he came to bring.
- Confess the thirsts you experience in life and the times you seek to quench them in your own ways and without God.
- Pray for a deeper grasp of life in the Spirit and that you would know how to drink deeply from him.
- Pray for an opportunity to speak to someone about Jesus meeting our needs/thirsts and for open ears and heart to receive it.

Taking it Further

Read Revelation 7:9-17

- 1) What does this great crowd of people in heaven praise God about?
- 2) How does v14 indicate that they have suffered as Christians?
- 3) What does God provide them with in v15-17 and why is living water part of this picture?
- 4) Praise God for both the present and eternal benefits of knowing him through Christ.

CONNECT IN PRAYER

Wine Tasting Outreach Event

- Pray for an enjoyable night with good numbers and a great atmosphere.
- Pray for Rich giving a short talk to give people a taste of the Gospel.
- Pray for God to be at work and that guests would want to return for other events particularly at Christmas and begin exploring Christianity.

Remembrance Sunday Guest Service

- Pray we would know how to make the opportunity to invite friends to hear Glen speak.
- Pray that the Remembrance Sunday occasion would be a draw for some people who don't normally come to church.
- Pray that Gospel would be clearly preached and people would engage with the message.
