CONNECT WITH THE MESSAGE

Flood Defence

1) What do you find the most challenging or unbelievable part of the Bible's account of Noah and the Flood?

Genesis 6:1-7:24

Read Genesis 6:1-7:24

2) What did you feel God was saying to you through Al's message from this passage on Sunday?

3) Even as a Christian, do you feel you still have any 'heart' problems? If so, what are they?

4) How would you like God to work on your heart to make it purer and stronger? (Matthew 5:8; 1 Thessalonians 3:13)

Read Matthew 24:30-51

5) How often do you think about Jesus returning?

6) What will be similar about Jesus' Second Coming and the Flood?

7) How can we watch and be ready for Jesus' return?

8) What might be some ways we could get it wrong, like the servant in v48?

9) How does Jesus warn us about not being ready for him in v51?
How does this compare with the Flood?

10) Pray that God would show you anything that needs to change in your life in the light of Jesus' return.

DIGGING DEEPER

Read 2 Peter 3:1-18

- a) How do you think these last days in which we live are like the time of Noah?
- b) How was the flood a kind of reversal of creation?
- c) How do you find it a helpful idea that for God a day is like 1000 years?
- d) Why hasn't Jesus returned yet?
- e) What does this passage say about being ready for Jesus' return?
- f) What will be some of the features of the new heaven and earth?
- g) How should our lives now reflect the promised new creation?
- h) What does Peter warn us about as we wait for Jesus to come back?
- i) What is the antidote for this?
- j) Pray about how you can eagerly wait for the day of God to come (v12)
