SUNDAY 22nd SEPTEMBER

Here are some follow-up questions to help you get the most out of today's Bible Message. If you're in a Core Connect Group, it would be helpful to read them before you meet and note down your thoughts.

Is anybody interested in Jesus? Matthew 9:35-38

- 1) Have there been occasions where you have tried to share your faith in Jesus and people weren't interested? How did you feel?
- 2) What challenges are there for you in really believing that 'the harvest is plentiful'?
- 3) What was the most helpful or challenging thing for you from the message?

4) What would being 'sent out into the harvest field' look like for you personally?

5) How can you practically raise your game in prayer for the gospel?

6) What will you do this week to deliberately try and tell people about Jesus?

PRAY

- Thank God for bringing you to faith in Jesus as part of the harvest
- Ask God to give you confidence in the gospel and to help you believe the harvest is plentiful
- Pray for opportunities to talk about Jesus, and especially with people who are ready to hear

Going Further

Read Luke 5:1-11

1) Why was Simon Peter reluctant to try fishing again?

2) How has your experience of sharing your faith been like Peter's night-time fishing?

3) How does this account encourage you to 'keep fishing'?

4) What details in this account might help you be more effective telling people about Jesus?

5) In what ways is Peter's reaction to the catch of fish different to how you would expect him to react? What might be some implications of this for you?

"For I know the plans I have for you", declares the LORD, plans to prosper you and not to harm you, plans to give you hope and a future.

Then you will call on me and come and pray to me, and I will listen to you.

(Jer 29:11-12 NIV)
