SUNDAY 8th MARCH

Here are some follow-up questions to help you get the most out of today's Bible Message. If you're in a Core Connect Group, it would be helpful to read them before you meet and note down your thoughts.

God with Us: Work (Genesis 1-3, Colossians 3:22-24)

1) What do you do during the week which is some kind of work? (paid work, voluntary, parenting, caring, housework/chores)

2) Was there anything in particular which helped you from the Bible message on Sunday?

3) How does it help you to picture God as a worker and work as a good thing?

4) How can you see your work as: working with God to see what he wants done in the world?

5) How does understanding the effect of sin (and the Fall) on work help you to be realistic about the problems and frustrations of work?

6) How could it transform your work to see yourself as primarily serving the Lord Jesus?

7) What can we do a Church and as a Connect Group to support one another in our work?

PRAY

- Thank God for opportunity to partner with God as we work to achieve what he wants done in the world.
- Pray for God's help with the challenges and frustrations of work that you and others experience.
- Pray that we would be better at supporting one another in our work, and think of something you could do to support someone else.

They all joined together constantly
in prayer. (Acts 1:14 NIV)
